JANUARY

Happy New Year! Welcome back to school. It's great to have all of the children back with us at Holy Covenant CDC. We hope everyone had a great holiday season.

Get Ready for Registration

Can you believe it's time to start thinking about the next school year already? Registration for the 2020-2021 school year has begun. We will have applications ready online and at the CDC office for you fill out for our registration beginning January 13th. The registration deadline is January 23rd. Be sure to turn in your paperwork no later than January 23rd. If you miss this deadline you will lose your priority registration. Those eligible for priority registration are currently enrolled CDC students, their siblings, and Holy Covenant church members. Don't forget that with our student enrollment we must do class sign-ups by a lottery system, so there is no guarantee of a first choice assignment. However, priority registration does significantly increase your chances. Note: it is very important to make sure that you put the correct birth date on your registration forms. If we have the incorrect birth date, your child may be placed in the wrong class and the class that you want may be full. You will have 2 days to pay your registration fee, February 4th and 5th. After February 5th, anyone who has not paid their registration fee will be dropped and we will move down the waiting list.

Fundraising Dinner Helpers Needed

Well it's almost here! Our annual fundraising dinner is in the planning stages. If you are interested in helping with the silent auction, dinner plans, or decorating, please call Sandra Fortune in the CDC office and leave your name and phone number. This annual event is lots of fun but also takes "lots" of planning and volunteers to make it a success. This event is our spring fundraiser and we will be using the money raised to add equipment to our classrooms and to our playground fund.

If you have access to any sports tickets, autographed items, or any other auction items that you would like to donate for our fundraising dinner, please let Sandra know as soon as you can.

Parking Lot Issues

Please watch your speed when driving in our parking lot. We have lots of small children walking through the parking lot and we want to keep everyone safe. Also, be aware that our parking lot is a cell phone free zone. Do not talk on your cell phone while driving through our parking lot. Thanks!

...those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.

Father's Night

Dads mark your calendars! Our Father's Night at the CDC is coming soon. This is your opportunity to have some great quality time with your 3 or 4 year old. Father's Night for our preschool classes will be January 23rd from 6:00 to 7:30 p.m. So dads, come have dinner and fun, just you and your child. We will be serving all beef hot dogs, nachos, and ice cream for dessert. Your child's teacher will be sending home notes with more information soon.

WOW! SCIENCE CAMP
