

# HOLY COVENANT CHILD DEVELOPMENT CENTER

March 30, 2020

Dear CDC Families,

I hope you are all doing well. I have enjoyed seeing some of you on ZOOM meetings with the teachers and look forward to seeing the ones who haven't had their meeting yet. I wanted to take a moment to update you on what is happening moving forward in the upcoming months of April and May. Our CDC Advisory Board has met and discussed tuition, teacher salaries, remote teaching and fundraiser. As of right now we will not collect any tuition in April unless we return to school. If we return to school, tuition will be pro-rated. Our teachers will continue to send home lessons and ideas for you and your child to work on. They will also read stories and do lessons through Facebook. Teachers will ZOOM meet with you on a weekly basis to socialize and do a small lesson depending on your class age. If we do not return to school, remote teaching will continue until May 14<sup>th</sup>.

The Advisory Board has decided to pay the staff and teachers at a discounted rate for the remainder of the school year. They recognize that our teachers have continued to work and communicate with their classes through the chaos, knowing that there are pay cuts ahead, and are grateful for their dedication to the school and their families.

As mentioned in one of my previous letters, our fundraiser silent auction will go on. Ms. Sandra will be setting up an on-line auction so you can have the opportunity to bid on the wonderful baskets that all our families donated. She will be posting the class canvases too! We ask that when the auction opens, you will share it with as many people as you can. We have already included our spring fundraiser in our yearly budget. We are counting on this to help with payroll for the remainder of the year.

Parents, please remember to keep an eye on our website and Facebook page for updates and fun at home activities.

Blessings,

Jodi Carroll  
Director
